

## Bring Me A Rose

by Ernie Sheldon

1.  
Bring me a rose in the wintertime  
When it's hard to find  
Bring me a rose in the wintertime,  
I've got roses on my mind  
A rose is sweet most any time and yet,  
Bring me a rose in the wintertime,  
It's so easy to forget

2.  
Bring me a friend when all alone,  
When it's hard to find.  
Bring me a friend when I'm all alone,  
I've got friendship on my mind  
A friend is sweet most any time and yet,  
Bring me a friend in the wintertime,  
It's so easy to forget

3.  
Bring me a kiss when my baby's grown,  
When it's hard to find  
Bring me a kiss when my baby's grown,  
I've got kisses on my mind  
A kiss is sweet most any time and yet,  
Bring me a kiss in the wintertime,  
It's so easy to forget

4.  
Bring me love in my autumn years,  
When it's hard to find  
Bring me love in my autumn years  
I've got lovin' on my mind  
Oh love is sweet most any time and yet,  
Bring me love in my autumn years,  
It's so easy to forget

5.  
Bring me peace when there's talk of war  
When it's hard to find  
Bring me peace when there's talk of war  
Peace is on my mind  
Oh, peace is sweet most any time and yet  
Bring me peace when there's talk of war  
It's so easy to forget

6.  
Bring me a rose in the wintertime  
When it's hard to find  
Bring me a rose in the wintertime,  
I've got roses on my mind  
A rose is sweet most any time and yet,  
Bring me a rose in the wintertime,  
It's so easy to forget
