Chorus

C G C F
Come sing! Shepherds & kings,
E F G C G
Sing for the babe in the manger.
C G C F
Peace and joy to bring, and
C G C
Bless you wherever you go.

C G
Out in the wood on a wintry night,
C F C C F
The evening star shone so brightly, so bright;
C G C C F
And there in the manger, a baby boy born,
C G C
To Mary, a baby was born! (Chorus)

C G
Out on the road, through the desert three kings,
C F C C F
Did ride with their eyes and their senses so keen,
C G C C F
For a sign of the King they were seeking, foreseen,
C G C
For a sign of the King forseen. (Chorus)

C G
The cattle and horses, the piggies and sheep
C F C C F
All huddled up close for the Baby to keep,
C G C C F
Swaddled there in the arms of His Mother, asleep;
C G C
There in her arms asleep. (Chorus)

G C G C
"Mary's baby!", the angels sing,
G C A M D G
"Mary's baby!", Prince of Peace!"

C G
Now Mother and baby are gone long ago,
C F C C F
This story is Older than Older than Old...
C G C C F
Still on every Christmas morning is told,
C G C
On Christmas morning is told.

That there in the wood on a wintry night,
C F C C F
The evening star shone so brightly, so bright!
C G C C F
And there in a manger a baby boy born
C G C
To Mary a baby was born. (Chorus)
